

## ***WorkFirst Sanction Rules May Change on June 1, 2006!***

*This June*, the WorkFirst sanction rules may change so parents must participate in the program or lose their cash grant. We do not want anyone to lose their cash grants. WorkFirst's goal is for families to participate in what the program offers so they can provide for their children.

*If we change the rules* and you stay in sanction for 6 months in a row:

- Your case will be reviewed by a sanction review panel and may be closed.
- If your case is closed, you will need to reapply and participate for 4 weeks in a row before you can receive cash.

*If you are in sanction now*, please contact us as soon as possible. We want to talk to you and find the best plan for your family.

*We want to help you end your sanction before the rules change.*
